

CompAir Genuine Service Kits

Valid from 04/2024

CompAir Genuine Service Kits are an **easy** and **cost-effective solution** for preventive maintenance or repairs on CompAir portable compressors. Each service kit is tailored to the needs of the product. It contains a set of original spare parts from CompAir, and in addition to maintenance intervals and downtime, also reduces the time spent on maintenance or repairs.

Your advantages:

-  All parts – **one package**
-  **Avoid** downtime
-  Available through **CompAir's worldwide** customer service network
-  **Practically straightforward**, just an order process
-  **Longer** lifetime
-  **Practical kits** for easier maintenance and logistics planning
-  **Reduce** costs
-  Compliance with **current standards**
